## Accreditation Letter

**Production company:** Porcovete Pictures

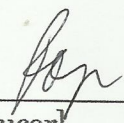

**Complete address:** 1460 Painter Circle #8, Montreal, H4L 3C3, Quebec, Canada

I, the undersigned ALEXANDRU POP, administrator of PORCOVETE PICTURES and producer of the film / production entitled \_\_SOFTWARE HARD\_\_ hereby entitle \_HESAM DEHGhani\_ to represent this production and interview people on behalf of the company and the production.

PORCOVETE PICTURES is a company founded at the beginning of 2012 and it produced 3 short films so far and has other 3 shorts and this documentary in various phases of production.

SOFTWARE HARD is an interview-type documentary and the interviewees will be of two major categories: people from inside the software making industry and the people from outside. The purpose of this film is mainly to help people from outside the industry get a glimpse of what the industry is really about and maybe for the people inside the industry to get some kind of feedback about how the other people perceive the things they do to create software.
