**To Whom It May Concern**

Dear Sir/Madam,

We are Circus Publicists, an advertising agency in Mauritius and one of the most awarded agencies in the Indian Ocean. We are currently hiring 32 filmmakers from the 32 countries selected in the FIFA World Cup 2014 to produce a short film in their country with a soccer ball transiting each country.

In that context, we have chosen the talented filmmaker **Hesam Dehghani** from Iran to represent his country in this project. We selected him based on his excellent previous works and successful experiences in international projects.

Once shot, the film will be used to show all the 32 countries heading to the FIFA World Cup 2014 and will be broadcasted on the web, on our national TV and even internationally.

We remain at your entire disposal should you need any further clarification or information.

Best Regards,

Project Managers (Matthieu Benoit, Yannic Mootoos, Juliette Smit)
